### From Munich Airport:

Take the dual carriageway heading for Munich, then the first turnoff "Freising/Hallbergmoos" heading for Freising.

Drive straight ahead until you come to an intersection. There turn right heading for "Freising/Lerchenfeld" (not Stadtmittle!).

You will come to the street "Ismaninger Straße", which you should drive along to the last intersection, where you should turn right. The second building is the Isar Hotel.

It's just 6 kilometres from the Isar Hotel to the airport - no hotel in Freising is closer and thus more conveniently located for guests.

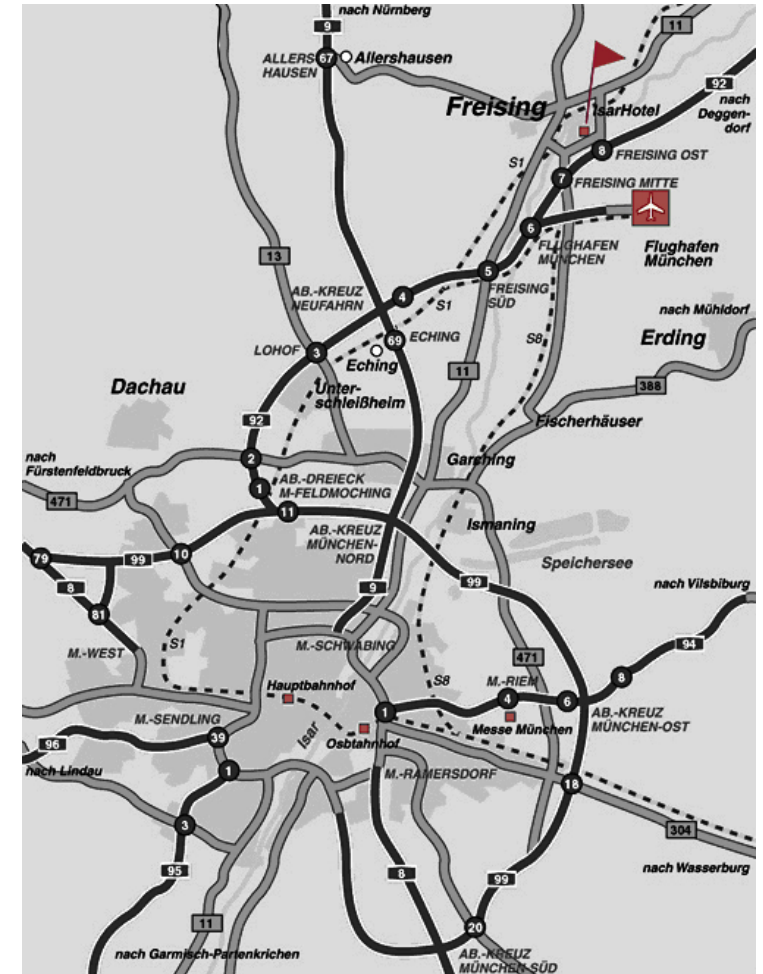

### Reception

### 24-hour-check-in by keybox

### From Munich:

All you have to do is head for the Munich Airport.

You will automatically go onto the A92 (Munich-Deggendorf) and take the Freising-Ost exit heading for Freising.

Pass the place-name sign, and continue straight ahead for another 1.5 kilometres and you will see the Isar Hotel on the left-hand side, right before the bridge crossing the Isar .
